2026 Impact Report

KEYS TO A NEW BEGINNING

"It's so much bigger than a car..."

Moving Forward Together

As I reflect on all God has done through God's Garage in 2026, two words describe the year: persistence and joy. The first half brought growing pains, change, and transition. At times, we had to stay steady, trust God, and keep moving forward. Looking back, we see how He used that season to strengthen our foundation and prepare us for what was ahead. Through it all, our core values—Integrity, Faith, Unity, and Excellence—guided us, helping us navigate change, grow together, and continually improve how we serve women and families.

In the second half, a renewed joy took hold. Our team grew stronger and more unified as new volunteers, donors, and partners joined the mission. We welcomed two new board members, two new office team members, and our first Executive Assistant. We also transitioned to a new Board Chair and welcomed a new Treasurer, strengthening our leadership, accountability, and focus.

That persistence began turning into momentum, and the impact followed. In 2025, God's Garage gifted 60 vehicles. In 2026, we gifted 80, giving 20 more women and families reliable transportation and an opportunity to move forward. More than 250 women participated in Restore U, exceeding our annual goal. We also welcomed volunteers, built relationships, and strengthened the systems that will help us serve even more women in the years ahead.

But numbers tell only part of the story. We've witnessed hope restored, faith strengthened, families impacted, and lives changed as women encounter the love and presence of Jesus Christ. It reminds us: "It's so much bigger than a car." When a mother's life changes, her children are impacted. When a family encounters Jesus, that impact can reach generations we may never see.

As we enter 2027, we're preparing to launch a new client vetting process, introduce a revamped Restore U seminar binder and curriculum, and host our first large-scale Restore U seminar. Architectural designs are also underway as we lay the groundwork for a future home for Restore U seminars, expanding our ability to serve women and families for generations.

What excites me most isn't a building, a new process, or bigger numbers. It's the team God has assembled and the joy, unity, and expectation growing within this ministry. We enter 2027 with strong leadership, dedicated staff and volunteers, faithful donors, and new people who believe deeply in this mission.

Thank you for every vehicle donated, dollar given, hour volunteered, partnership formed, and prayer offered. Your generosity helps create generational impact throughout our community. I couldn't be more excited about what lies ahead. The first half taught us to stand steady; the second showed us the beauty that can come from persistence. I believe God has prepared God's Garage for a new season.

MISSION

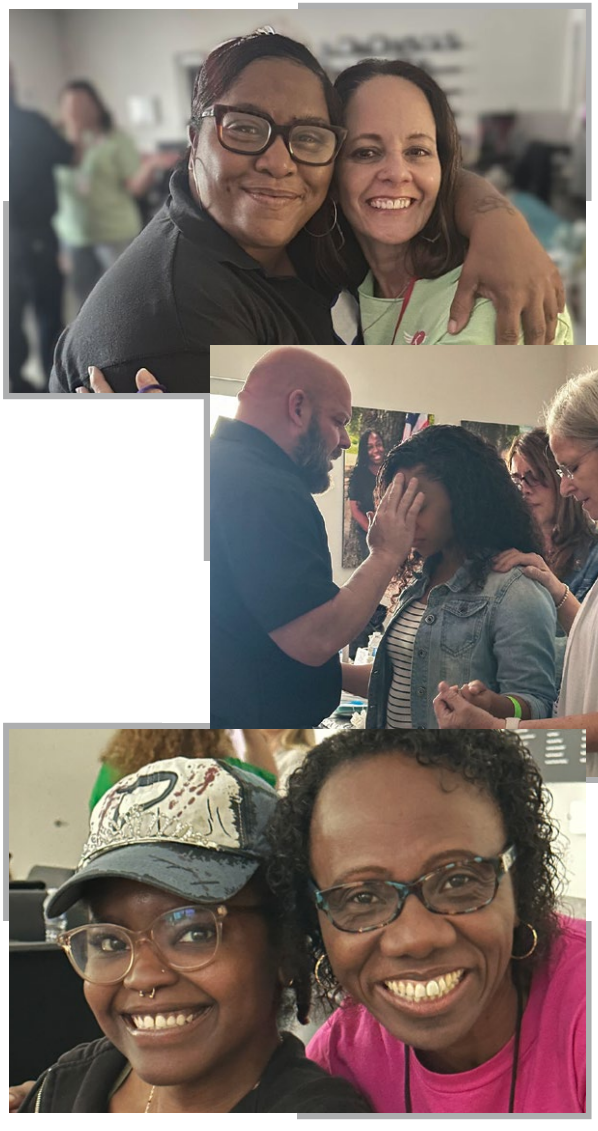

Our mission is to **make a generational impact** by sharing the good news of the Gospel and providing reliable transportation and vehicle repairs to single mothers, widows, and wives of deployed military.

VALUES

Integrity + Faith + Unity + Excellence

STATEMENT OF FAITH

We believe in God the Father Almighty, creator of heaven and earth. We believe in Jesus Christ, His only son, our Lord, who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died and was buried. He descended into hell; on the third day He rose again from the dead. He ascended into heaven, and is seated at the right hand of God the Father; from there He will come to judge the living and the dead. We believe in the Holy Spirit, the holy Christian church, the communion of saints, the forgiveness of sins, the resurrection of the body, and life everlasting.

Stories of a New Beginning

As a single mother raising two children and a grandchild, the past three years brought one challenge after another. Multiple surgeries, growing bills, and car payments left her feeling exhausted and alone. Without a car, getting to work, medical appointments, or the grocery store meant spending much of her paycheck on rides. She needed more than transportation; she needed a way forward.

Through it all, she held on to her mother's words: "Let go and let God." As her health improved and she found God's Garage, Restore U connected her with Christian women who offered friendship, wisdom, and support. Today, with her own vehicle and a renewed sense of independence, her faith has grown stronger, and she's thriving in her new blessing.

For this single mom raising her 5-year-old son, a car breakdown on the freeway became a major obstacle as she worked to keep her job and rebuild her life after divorce. Through every setback, she continued to seek the Lord and trust His provision. God remained faithful, providing safe housing, connecting her with community resources, and opening doors when the future felt uncertain.

Through God's Garage, she now has reliable transportation and a fresh start. Her vehicle will help her keep working, pursue her career goals, serve in her church, and build a better future for herself and her son. She shares, "Your donation becomes more than a car. It becomes a pathway to work, a ride to school, access to healthcare, and a reminder that someone believes in your future."

After her divorce, this single mother was left with nothing, including a vehicle. Without reliable transportation, everyday life became a struggle. She didn't want to bother others by asking for rides, so she often carried that burden alone. Now, through God's Garage, that burden is being lifted. This vehicle will be a tremendous blessing for her and her little girl, whom she lovingly calls a gift from God.

Through every challenge, her faith has remained strong. Daily prayer reminds her that God is always with her and will never abandon her. She also found peace and encouragement through the Restore U seminar. Reflecting on her experience, she shared, "The seminar was incredible. I would do it all over again. I felt a sense of peace the moment I walked through the door."

When this single mother of four and military veteran lost her vehicle, she faced a heartbreaking choice: pay for repairs or put food on the table. She had to sell her van, and without reliable transportation, she lost her job and struggled to get her children to school and attend her VA appointments.

Thanks to the generosity of God's Garage donors and volunteers, she now has a reliable vehicle. This gift brings new hope, opening doors to steady employment and making daily life easier for her family. But an even greater change began before she received her car. Through Restore U, she grew closer to God, spent more time in His Word, and began teaching her children about Him. As she shared, "It opened my eyes to how much I need God."

Beauty From Ashes

"This van has seen me through so much..."

For Aurea, her van, "Bullet" (lovingly named after the Nintendo Mario character), has carried far more than people and belongings. It brought her newborn son home from the hospital, and now that same son is graduating high school. It also helped Aurea and her two young children escape an abusive relationship, carrying everything they owned through one of the most difficult seasons of their lives.

Through it all, Bullet became part of their family's story of survival, healing, and hope.

Now, Aurea chose to donate Bullet to God's Garage, giving another woman the opportunity to experience the freedom and independence that reliable transportation can provide. Reflecting on her decision, she shared,

"I know God's Garage is where she needs to go. I'm only returning God's blessing back to His Kingdom's purpose."

Aurea's connection to God's Garage runs deeper than this generous gift. Having faced many of the same struggles as the women we serve, she now faithfully volunteers with the ministry and serves as her church's liaison to God's Garage.

Her journey from survivor to volunteer to donor is a powerful reminder that hardship does not have to be the end of the story. Through faith and generosity, what once helped carry a family through its darkest days can become a blessing for another family beginning a new chapter.

Aurea's story is a beautiful example of how God can bring hope from hardship and turn the blessings we receive into blessings for others.

A Legacy of Faith

Denise is a single mother of four who proudly proclaims her identity as a daughter of the King. Her journey has included couch surfing and fleeing domestic abuse — hardships familiar to many of the women God's Garage serves. Through it all, Denise continued seeking the Lord and trusting Him to provide. After giving her life to Christ last year, her faith has continued to shape her journey and her desire to serve Him.

A prayer for reliable transportation was answered through a vehicle named Lucy, donated by the Armstrong family in memory of their son, Austin. **What began as a family's decision to give a vehicle a new purpose has become a beautiful connection between two families, united by faith, love and God's provision.**

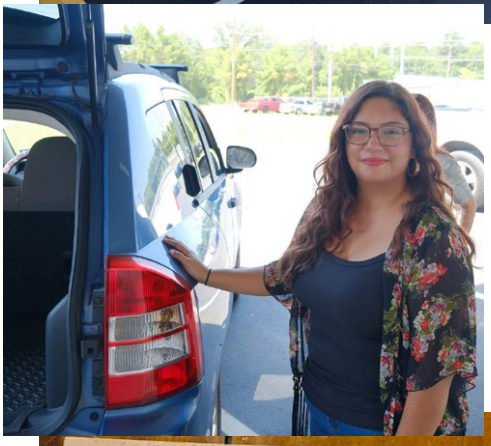

During an interview with our Executive Director, Denise shared her gratitude with the Armstrong family and reflected on Austin's statement of faith. His desire to honor God with his life resonated deeply with her own heart and the purpose she sees in the blessing of a reliable vehicle. She hopes to use Lucy not only to care for her family but to also honor God and share the Gospel with others.

Denise expressed her joy simply: "My children and I feel very, very blessed!"

For the Armstrong family, Austin's legacy continues through a gift that is bringing hope and restoration to another family. For Denise and her children, Lucy represents far more than reliable transportation. She opens doors to employment, education, childcare, medical care and greater independence while strengthening Denise's ability to serve her family and live out her faith.

This is the heart of God's Garage: a vehicle becomes a bridge between families, a donor's generosity carries forward a loved one's legacy, and a mother receives more than transportation; she receives renewed opportunity, hope and a tangible reminder of God's faithfulness.

United by a Purpose

God's Garage is powered by the hearts, hands, and dedication of our volunteers. They are more than a team—they're family, prayer warriors, and an essential part of everything we do. From repairing vehicles and caring for our facilities to writing grants, connecting with applicants, and leading educational seminars, our volunteers bring a wide range of skills and a shared passion for serving others. They make our mission possible every day.

"The Spirit of God truly dwells in God's Garage! His love, healing and restoration is evident here. I'm so blessed to be part of it all." - Aurea

"God's Garage is my heart! It is so fulfilling and rewarding to be a part of changing lives forever!" - Roberta

"It brings joy to my heart to be a part of God's Garage. Working with such great people for God's glory" - Carl

"God's Garage provides opportunities to know and work with amazing people who are changing the lives of the people they work with and serve" - Chuck

"God's Garage has been such a blessing in retirement. Picking up vehicles, I get the opportunity to meet & pray with our generous donors. The team at God's Garage has become family" - David

A Heart of Service

At the beginning of 2026, we recognized four of our amazing volunteers who truly embody the heart of the mission at God's Garage. Each recipient was nominated by fellow volunteers and staff who witnessed firsthand their servant hearts and compassion for others. They consistently lead by example and inspire everyone around them. To each volunteer who continues to show up and serve as the hands and feet of Jesus, we thank you! We are deeply humbled by your generous, servant hearts.

It's an absolute blessing that we are supported by the most remarkable volunteers who truly represent our core values: ***Integrity, Faith, Unity*** *and* ***Excellence***. A huge THANK YOU goes out to ALL of our volunteers for being the hands and feet of Jesus Christ, selflessly pouring your time and energy into serving others. Your dedication touches the lives of single mothers, widows and wives of deployed military, and we couldn't do it without you!
